Version: 5.0 Sept 11

...the ultimate fan range from **ultraframe**

The Ultraframe fan range offers the choice of six stylish fan designs. The fans are supplied complete with lights and the option of a remote control. A choice of blade colours ensures all tastes are catered for, while the 2 year standard warranty provides additional peace of mind.

The Ultraframe fan range is a worthy addition to any conservatory.

Fan Range Key Facts:

- **3 speed settings** - to suit your needs whatever the weather
- **Optional remote control**
- **Light timer** - energy efficient
- **Summer/Winter settings**
- **2 year standard warranty** - for your peace of mind
- **Reversible blades** - offers more options

* All fans have Summer & Winter settings

The Summer setting creates a cooler atmosphere by pulling warm stale air upwards whilst the Winter setting acts in reverse by re-insulating warm air gathered at the apex of the roof
